

INFORMATION ON COVID-19 VACCINES

FEBRUARY 27, 2021 AT 5 P.M. MST

Zoom Meeting • Meeting ID: 941 1949 8059 • Passcode: 823188 • 346-248-7799

This Colorado Springs Community Action Coalition webinar seeks to share the facts about vaccines, from history to current local vaccination procedures. While it's open to all, we particularly hope to reach those in the African American community. Nationwide statistics show many African Americans are reluctant to receive vaccines for a variety of reasons. Our goal is to provide encouraging information and work with public health and medical organizations to facilitate vaccinations of as many Colorado Springs citizens as possible.
